SIDING CREW MEMBER

About Wenger Construction, Inc.: Founded in 1997, Wenger Construction, Inc. is a full-service commercial roofing, siding, and sheet metal fabrication company based out of Campbellsport, WI. As our reputation has grown so has our footprint. We currently serve the Milwaukee, Fox Valley, Lakeshore, and Madison regions. We strive every day to live up to our vision and core values as a company and are looking for talented people who can buy in to who we are and want to have opportunities to contribute and grow within our company.

Wenger Vision Statement: Working together to create a positive solution driven work environment where the resources are in place for good workers to become great workers. Gives us the ability as a team to... Deliver a world class customer experience, creating efficiencies that honor the project being trusted to us and thus maximizing results.

CORE VALUES

HUNGRY
Have a strong desire to learn, grow, and achieve more personally and professionally

COLLABORATE
Work as a team to create a positive, solution driven work environment

ELEVATE
Grow yourself and grow those around you. Be a person of influence

OWN IT
Take responsibility for the good and the bad, be transparent and honest

Job Summary: As a Siding Crew Member you will join a specialized team solely dedicated to the installation of commercial siding and sheet metal products. Our siding crews stay together so you will have a dedicated leader and team that will work together to provide you skill training in the field. Experience is preferred but not required as our Foreman are excellent trainers. Within the siding industry there is a vastness of products, a big part of your job will be continuous learning around new products and installation methods to broaden your impact on the organization. Through Wenger Worker Academy, we have developed a Foreman development map to support your professional and financial growth.
